PERSONALIZE YOUR POOL

# PUT THE POWER OF COLOUR TO WORK WITH SPECTRAVISION®

Imagine, immersing yourself in the rich, deep and glowing colours of a SPECTRAVISION® lighted pool.

-  SPECTRAVISION® transforms any pool into a night time oasis of glowing colourful warmth by combining the vibrance and brilliance of LED with the soothing effects of colour.
-  The SPECTRAVISION MOONLIGHT can also give bright white light.
-  You control the mood with a simple push on a button. Create an environment of tranquillity, a romantic get away or a fun family entertainment centre all with the SPECTRAVISION lighting system.

## Personalize your pool !

-  The new SPECTRAVISION Moonlight is very thin and does not need a niche.

It can be mounted in a standard wall conduit or on any thin wall pool like wooden, metal or polyester pools.

## SPECTRAVISION MOONLIGHT CHANGING COLOURS FOR YOUR SWIMMING POOL

### The right atmosphere for any occasion

Spectravision MOONLIGHT lamps contain LEDs that come in three colours: red, green and blue. They allow you to create **numerous colour combinations** and **unique atmospheres** in your swimming pool. You can choose from an impressive total of 16 colour modes! Because a birthday party for the kids requires another atmosphere than a romantic evening tête-à-tête.

#### **STYLISH COLOURS**

**Do you want to keep it simple ?**

In that case, light up your pool with only one colour: white, green, blue or red or go for a warm mixed colour: light blue, yellow or purple.

#### **PLEASANT ANIMATIONS**

**Would you rather go for something more atmospheric ?**

Let you gently drift away on the water, while enjoying fascinating plays of light and colour. You can choose between:

- the red/blue evening light of **Evening sea**
- the mysterious, red/green shine of **Evening River**
- the irresistible green/blue tints of **Riviera**
- the astounding blue/red/green play of light of **Rainbow**
- the red/blue/green/purple wealth of colours of **Four Seasons**
- the comprehensive riot of colours of **River of colours**.

#### **PLAYFUL, RHYTHMIC PLAY OF LIGHTS**

**And since we all love to get a little wild from time to time :**

- explosive water fun guaranteed with the rhythmic and swirling colours of **Disco**.
- go wild in the "swinging swimming pool", thanks to **Party!**

**Spectravision**
