

SUNSET

The Sunset Spa is a model suitable for 4 users. It has plenty of space inside, six positions with different massages and all of the features, quality and guarantees of our Premium range.

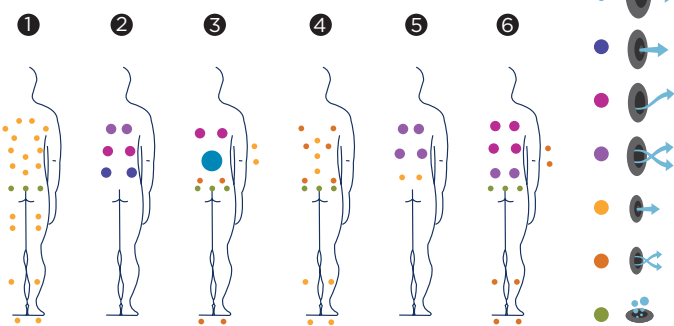

The tub has been carefully designed down to the last detail: the Spa has 6 different positions, allowing you to complete a full hydromassage circuit. The Spa is equipped with a total of 66 jets, meaning that it can treat every part of the body: back, arms, legs and feet. The air massage provided by the 12 air nozzles allows the back muscles to relax, providing a feeling of relaxation and release.
